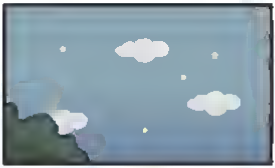
PaePaero of Love

One day, when we went to
the big supermarket in our town,...

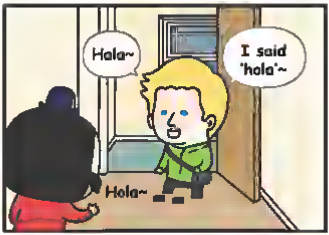
... we found that they sold
Korean ramyons and snacks
in the Asian food section.

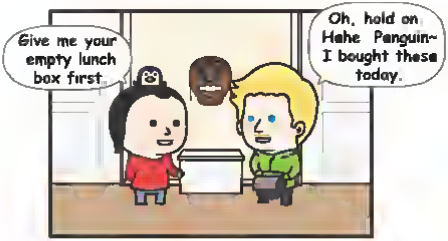
Since that time,
we've been going to this shop
whenever we needed ramyon.



Time flew by.
Then a few days before
the paepaero day.

*Paepaero day:
A day when Korean people give a snack
of long chocolate sticks to each other





Mev came back home after work, he had...

... original, almond and peanut flavoured chocolate snacks in his bag.

I was very pleased by Mev's surprise gift.

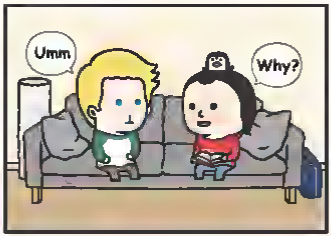
These are not yours

But...

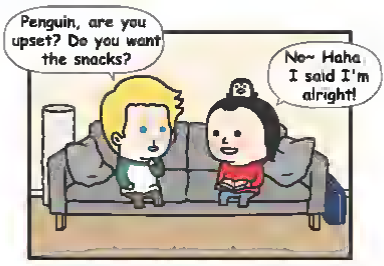
You said you didn't mind about this day so
I bought them to take to work

I was counting my chickens before they'd hatched

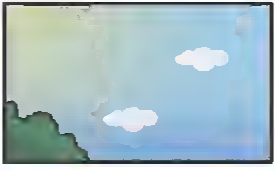
How embarrassing!
I've laughed loudly once.



Honestly, I didn't mind
what happened before but...

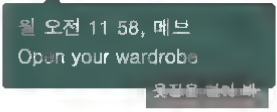


... Mev seemed like he was warried about my feelings that evening



11th November.
(Paepaero day)

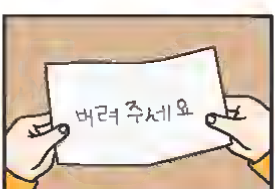
Mev went to work and
I was drawing my cartoon,
I got a text message from Mev.



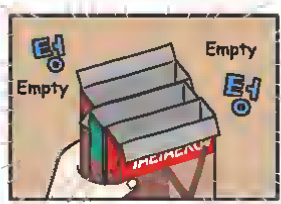
I checked my wardrobe
and then I found...

... that there were the snacks!

I was pretty touched by him.
I read the message that he left slowly.



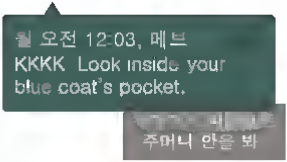
[Throw them away please.]



Empty
Empty

' I'm going to pay him back.
I'm going to pay him back
for making fun of me.
I'm going to pay...'

While I was making a promise to myself,
I got one more text message from Mev.



In the pocket,...

... there was a real bag of snacks!

' I'm going to pay him back.
I'm going to pay him back
for teasing me with food '
